

CareerStorm Navigator™

Empowering dialogues about career and life

21st century online process for career/life development

CareerStorm Navigator is an intelligent career development process that brings your meaning and life experience to the foreground. It confronts you with tough questions about how you want to live your life.

"I expected occupational suggestions, but this career tool was different. It made me think about the answers, which was a lot better!"

To help you design a meaningful career and life

CareerStorm Navigator starts from the premise that you actively participate in constructing your own reality. Your unique strengths and resources can successfully be applied in many different ways. It is up to you to decide which of your many resources you want to focus on at any given time and how.

"This process helps build career skills for life!"

CareerStorm Navigator™

Navigate your life

Quick Review of the Career Tools That Make up CareerStorm Navigator!

Current Position -

Where are you starting from?

- Describe your current career and life circumstances to provide a context for your career decision-making.
- Review your "career" history including non-paid positions such as (unemployed, full time parent, volunteer worker, student).

Estimated time: 30 min

Desired Destination -

Where might you be going?

- Define your goals for eight areas of life: career, learning, relationships, home, body & health, leisure, financial goals and spiritual growth.
- Evaluate importance and ease of achievement for each goal and arrange your goals in priority order.

Estimated time: 30 min

Interests (Where)

- Create a comprehensive list of interests that you would enjoy focusing on in your career and life.

Estimated time: 35 min

Skills (What)

- Identify four types of transferable skills: social, practical, information and creative.

Estimated time: 45 min

Style (How)

- Make a unique list of personality qualities you appreciate and use that list to describe yourself.

Estimated time: 20 min

Values (Why)

- Generate a list of your most important values and evaluate how they are realized in your life.

Estimated time: 20 min

Compare – Evaluate your career options

- Enter and rank up to five career options based on your personal preferences: values, style, skills, goals, work environment and interests.
- If you have completed these career tools in the Map & Compass, your results can be used to compare the career options you selected to weigh.
- Compare is most effective when you know what your potential career options are.

Estimated time: 20-60 min
